FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Re: *Ex Parte* - CC Docket No. 97-211
Application of WorldCom, Inc. and MCI Communications Corporation

Dear Ms. Salas:

On June 24, 1998, in response to a request from the Common Carrier Bureau, we submitted certain information regarding the presence of other competitive local exchange carriers in local markets where WorldCom, MCI, and Brooks have facilities. That information was derived from the 1997 Annual Report on Local Telecommunications Competition prepared by the New Paradigm Resources Group, Inc., entitled "Markets Served by Competitive Providers: CLEC Networks: Operational & Under Development By City & State."

We have prepared the enclosed chart, which updates that information based on the 1998 New Paradigm Annual Report on Local Telecommunications Competition. In the chart, we have grouped the information by MSA and carrier.

If you have any questions regarding the enclosed, please do not hesitate to contact the undersigned.

Very truly yours,

Jean L. Kiddoo/RVZ
